#### INDEPENDENT AUDITORS' REPORT

Board of Directors Lowcountry Community Action Agency, Inc.

#### Report on the Financial Statements

We have audited the accompanying financial statements of Lowcountry Community Action Agency, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2012, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Board of Directors
Lowcountry Community Action
Agency, Inc.
Page Two

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lowcountry Community Action Agency, Inc. as of December 31, 2012, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters Supplementary and Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (Schedules 1-16) are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 28, 2013 on our consideration of Lowcountry Community Action Agency, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Lowcountry Community Action Agency, Inc.'s internal control over financial reporting and compliance.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2012

#### NOTE A--BACKGROUND

Lowcountry Community Action Agency, Inc. (the "Agency") is a multi-county representative organization formulated to help communities within their area of service in South Carolina mobilize their resources to combat, alleviate the effects and plan for the future eradication of poverty. The Agency administers a variety of programs as shown in the Statement of Functional Expenses. The Agency is a private, not-for-profit organization.

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### METHOD OF ACCOUNTING

The records of the Agency are maintained on the accrual basis of accounting whereby expenses are recognized as incurred and revenues are recognized as incurred or granted.

#### DEPRECIATION

Fixed assets are recorded at cost. Furniture and equipment are depreciated over their estimated useful lives of 5 to 10 years using the straight-line method.

#### INCOME TAXES

The Agency is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code but remains subject to income taxes on any business income unrelated to the Agency's tax exempt purpose. For the year ended December 31, 2012, there was no unrelated business income. The Agency is subject to audits by a taxing authority, but as of December 31, 2012, no such audits or examinations were in process. Management believes that the Agency is no longer subject to income tax examinations for years prior to 2009. The Agency's policy is to record any income tax-related interest and penalties separate from any income tax expense. The Agency is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code.

#### **ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Agency to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2012

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 28, 2013, the date the financial statements were available to be issued.

#### INVENTORY

The Agency's inventory is recorded at cost and is comprised of materials used in the Weatherization Program.

#### NOTE C--INDIRECT COST

The Agency established an Indirect Cost Plan in the 1980s. The Plan was implemented in accordance with an agreement negotiated with the Department of Health and Human Services, which was the cognizant negotiation agency on behalf of the Federal government. The Plan's approved final rate for the current year is 28.7%, such rate being based upon all direct salaries and wages other than wages paid to WIA participants, if applicable.

The following expenses are paid through the Indirect Cost Plan:

- (1) Salaries and wages for the Executive Director, Fiscal Officer, Administrative Assistant, Support Clerk and Custodian;
- (2) Leave and fringe benefits for the above personnel;
- (3) Administrative portion of postage, travel, utilities, vehicle expenses, supplies, publications and printing, data processing, dues and subscriptions, maintenance and telephone; and
- (4) All audit, bonding and other professional fees.

The final indirect cost rate is 28.7%. Therefore, the actual rate for the year is 28.7%. Adjustments were made to all programs so that the actual indirect cost rate was charged to each.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2012

#### NOTE D--EMPLOYEE COMPENSATED ABSENCES

Vacation, holiday, sick leave pay and other paid absences are included in salaries and wages, and are charged to grants, contracts and other agreements as part of the normal charge for salaries and wages.

#### NOTE E--RETIREMENT PLAN

The Agency has a contributory, defined contribution plan for employees. Employees became eligible to join once they become permanent. The contributory plan is a qualified salary reduction plan under Section 403(b) of Internal Revenue Code. Participating employees can contribute from 3 to 10 percent of their annual salary and the Agency matches up to six percent (6%) of the employees' salary. For the year ended December 31, 2012, employees contributed \$40,931 and the employer contributed \$61,471.

#### **NOTE F--CONTINGENCIES**

The Agency's programs are subject to program compliance audits by the State and Federal government and their representatives. The amount of program expenditures which may be disallowed by the granting agencies cannot be determined at this time although the Agency expects such amounts, if any, to be immaterial, and no provision has been made in the financial statements for possible disallowances.

#### NOTE G--SUPPORT FROM GOVERNMENTAL UNITS

The Agency receives a substantial amount of its support from Federal and State governments. A significant reduction in the level of this support, if this were to occur, may have a significant effect on the Agency's programs and activities.

#### NOTES TO FINANCIAL STATEMENTS

December 31, 2012

#### NOTE H--PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

Building	\$ 110,085
Vehicles	1,063,944
Furniture and equipment	864,789
	2,038,818
Accumulated depreciation	(1,544,348)_
	\$ 494,470
	·

#### NOTE I--CONCENTRATION OF CREDIT RISK

The Agency maintains cash balances at various financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. As of December 31, 2012, the Agency's uninsured cash balances totaled \$0.

#### NOTE J--LEASED FACILITIES

The Agency currently leases its building from an unrelated third party for \$1,400 per month. The term of this lease agreement is from January 1, 2012 to December 31, 2012. Total rent expense for 2012 is \$16,800. The lease agreement for 2013 has been finalized and is similar to 2012.

#### NOTE K--DEFERRED REVENUE

Deferred revenue is all indirect funding and is a result of advances made by the Division of Economic Opportunity of the Office of the Governor of the State of South Carolina. The Agency has no control over the timing or amount of these advances.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Lowcountry Community Action Agency, Inc., which comprise the statement of financial position as of December 31, 2012, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 28, 2013.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Lowcountry Community Action Agency, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Lowcountry Community Action Agency, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Lowcountry Community Action Agency, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and

corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Lowcountry Community Action Agency, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### Report on Compliance for Each Major Federal Program

We have audited Lowcountry Community Action Agency, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Lowcountry Community Action Agency, Inc.'s major federal programs for the year ended December 31, 2012. Lowcountry Community Action Agency, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express and opinion on compliance for each of Lowcountry Community Action Agency, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Lowcountry Community Action Agency, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

Board of Directors
Lowcountry Community Action
Agency, Inc.
Page Two

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Lowcountry Community Action Agency, Inc.'s compliance.

#### Opinion on Each Major Federal Program

In our opinion, Lowcountry Community Action Agency, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2012.

#### Report on Internal Control Over Compliance

Management of Lowcountry Community Action Agency, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Lowcountry Community Action Agency, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Lowcountry Community Action Agency, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.
